

Ice Belongs in Drinks and Not On Airplanes/DISCOVER AVIATION DAYS EVENT

Thunderstorm season is almost here, but it's still time to think about ice! We will talk about what causes icing, how it affects our aircraft, and what to do if we encounter ice. Then we'll watch a True Pilot Story and discuss its implications.

Directions: 35W north to US Highway 10 (Exit 30) toward Anoka. Take exit County Road J/85th Avenue/Airport Road. Turn right onto 93rd Avenue extension. Take first right turn onto Airport Road to enter airport (gate access by pulling close to gate). Turn right onto Airport Road, follow two curves (one to left, one to the right) to south end of field to EAA Chapter 237 building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
