

Minnesota FAAS Team presents:

**If You See Something Say Something!**

Discuss the reality vs perception of officer involved incidents, including a discussion of implicit bias awareness as it impacts airport safety and security at KFCM. Several local scenarios will be discussed.

John has been with the EPPD for 16 years and has held many positions including Detective, SWAT Team Member, and Use of Force/Firearms Instructor. He has a Masters Degree in Police Leadership Administration and Education, and a Bachelors Degree in Manufacturing Engineering and Technology. He served active duty in the USAF as a tactical aircraft mechanic, and is a licensed A&P mechanic.

**Directions:** This seminar will be located in the Modern Avionics Hanger located behind shop. If flying in, ramp is full and you need to park across the taxiway in the grass please notify Flying Cloud Ground Control of your intentions. You may want to consider bringing a chair in case there are none available when you arrive.

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
