

GMAG Using Technology for Improving Situational Awareness

Nick is a professor at UND and he will present an interesting discussion of innovative methods for improving aviation safety. How? Through our headsets where sensory inputs can be provided to significantly improve safety.

Directions: GMAG Tent

From MN 10 take the 93rd Lane exit near the South end of the Anoka Co. Airport. Head North on 93rd Lane to the South gate entrance to the ANE Airport. Turn right on Airport Road NE and follow the road to the Golden Wings Museum on the left..

Signs will be provided to guide you to parking.

For fly-in Information go to this link:
