

GMAG Foreflight VFR and IFR Flight Planning Basics

The entry of flight planning software into preflight preparations has revolutionized how we can effectively accomplish a preflight briefing. The popular program Foreflight will be demonstrated and tips provided to make efficient use of this technology.

Directions: From MN 10 take the 93rd Lane exit near the South end of the Anoka Co. Airport. Head North on 93rd Lane to the South gate entrance to the ANE Airport. Turn right on Airport Road NE and follow the road to the Golden Wings Museum on the left.

Signs will be provided to guide you to parking.

For fly-in Information go to this link:
