

MN FAAS^Team presents:

IMC Club Meeting

During this hour long event, we will discuss our aeronautical decision making opinions about how we might handle challenging IMC situations. The idea is to gain knowledge by thinking about potential IFR problems and listening to fellow pilot's ideas. Check for cancellations at <http://eaa100.org>.

Directions: Copy then paste this link - <http://eaa100.44rf.com/imclub/imclub.htm> in your browser for a Google Earth picture and a printable .pdf picture of the location. Turn north at the most eastern traffic light off highway 14 in Byron, MN. Continue north on 10th Ave until the stop sign. Turn east on 7th St NE / Co 134. Turn south at the first opportunity onto Tompkins Dr NE. It is a 1-story business building on the west side of the road. Entrance is about in the center of the offices on the east side of the building.

Fly-Ins: If you coordinate with Dick Fechter via phone - (507) 272-5099, we will provide transportation from and back to the Dodge Center Airport (KTOB). You will have to be ready to get in the car there by 1830L.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
