

Pilot Responsibilities (CAP only event)

Pilot responsibilities are for the operation of the aircraft, the safety of the passengers and crew members and all decision once in the air. These responsibilities are best executed based on good judgement, experience, skill and knowledge. In this presentation we will present 10 different scenarios. We will discuss the outcomes of the scenarios and best outcome to be a safe pilot.

Directions: Civil Air Patrol (CAP) St Paul Squadron meeting room. Open to CAP members only.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
