

MN FAASTeam presents:

# Duluth Airspace And Airport Users Forum

The Minnesota FAASTeam would like to announce the Duluth airspace and airport users forum with an FAA wings program introduction. The meeting will be conducted by Minnesota FAASTeam Representative Mr. Brian Bird, The Duluth TRACON Manager, Mr. Scott Rautio and the Executive Director of the Duluth Airport, Mr. Tom Werner.

This meeting is an FAA effort to improve DLH airport operations not only from the surface movement areas but also in the DLH and surrounding airspace with open communication. We will be discussing airport safety and operations by reaching out to the tenants and users of DLH in order to talk with the airport community on potential safety issues they might have experienced or observed. The Airport Operations Area (AOA) construction projects and their impacts to the airport operation. To introduce everyone to the FAA wings program and FAA.safety.gov website, along with answering any operational questions attendees might have. The MSP FSDO, The Duluth Airport along with your MN FAASTeam, encourages all aviation minded people to attend this important presentation. It doesn't matter which certificate or rating you hold. If you know somebody with an interest in aviation, whether it's your mechanic,

## Event Details

**Tue, Sep 3, 2019 - 18:00 CDT**  
**Lake Superior College Center For  
Advanced Aviation**

4960 Airport Road  
Duluth, MN 55811

**Contact: Brian Bird**  
**(218) 340-2425**

Select #: GL1595393  
Representative BRIAN ALAN BIRD

another pilot, your right seat buddy or just somebody with as much interest in aviation safety as you do, please bring that friend with you.

**Directions:** From Miller Trunk Highway (US Highway 53) turn onto either Cirrus Drive or Stebner Road. Turn left if on Hwy 53 south onto Cirrus Drive or turn right if on Hwy 53 north onto Stebner Road. Follow either road around until you join Airport Road. Not too far down Airport Road coming in from either direction you will see Lake Superior College - 4960 Airport Road. Enter the College main doors (West side of building) and you will be directed to the meeting room. If flying in, park at Monaco and they should provide transportation to the Aviation College. If you so desire, The College is a short five minute walk down Airport Road from Monaco.
