

MN FFASTeam presents:

# **St Paul Airport Runway Safety Action Team (RSAT) Meeting**

The Minnesota FAA Team would like to announce the St Paul Downtown Airport Holman Field annual Runway Safety Action Team (RSAT) meeting to be conducted by the St Paul Air Traffic Manager, Ms. Molly Mach.

The purpose of this RSAT meeting is to unite those individuals and organizations that are actively involved in air traffic operations and movement of aircraft, vehicles and equipment on the Airport Operations Area (AOA). We look for participation from all major airport interests including tenants, fixed base operators, airport operations and maintenance personnel.

Participants are asked to help develop recommendations and solutions to enhance surface safety. Those recommendations serve as the foundation for a site-specific Runway Safety Action Plan. You are cordially invited to join us. Your participation is important and your input is welcomed. Please RSVP to the STP ATM at [molly.mach@faa.gov](mailto:molly.mach@faa.gov). Include the name, organization, phone number and email address of those who will be attending.

If you have questions or need more information, Molly Mach can be reached at (651) 312-8842.

## Event Details

**Thu, Sep 19, 2019 - 14:00 CDT**

**St Paul Airport Terminal Building**

644 Bayfield St

Saint Paul, MN 55107
