

MN FAASTeam presents:

# National Drone Safety Week - Agriculture

Join us for the FAA's first National Drone Safety Week! Each day focuses on a UAS topic, today its Agriculture! Are you interested in understanding how drones impact the food we eat? How are drones changing the way we farm? Join us as we talk with local pilots about how farmers use drones - you'll be amazed to hear what they're doing!

**Directions:** Please register for National Drone Safety Week - Agriculture on Nov 6, 2019 7:30 PM CST at:  
<https://attendeegotowebinar.com/register/6315977822493779468>

After registering, you will receive a confirmation email containing information about joining the webinar.

The Webinar will begin at 8:00 pm. You will be able to log in at 7:30 pm to test your connection:  
The Webinar will last approximately 30 minutes.

### **A message from the National FAASafety Team Manager**

Earn your WINGS to get a chance to win a cash prize. Go to [www.mywingsinitiative.org](http://www.mywingsinitiative.org) for more info.

Join us on Facebook: <https://www.facebook.com/groups/GASafety/>  
Sign up for the FAA's safety services at [www.FAASafety.gov!](http://www.FAASafety.gov!)

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.

## Event Details

Wed, Nov 6, 2019 - 20:00 CST
