

MN FAASTeam presents:

National Drone Safety Week - Education

Join us for the FAA's first National Drone Safety Week! Each day focuses on a UAS topic, today its Education! How are schools using drones in their classrooms? What regulations do educational institutions have to follow? Join us as we talk with Minnesota's District 196 award winning Apple Valley High School about their drone program... and learn how you can bring drones to your school!

Directions: Please register for National Drone Safety Week - Education on Nov 8, 2019 7:30 PM CST at: <https://attendeegotowebinar.com/register/6627956550292122123>

After registering, you will receive a confirmation email containing information about joining the webinar.

The Webinar will begin at 8:00 pm. You will be able to log in at 7:30 pm to test your connection:

The Webinar will last approximately 30 minutes.

A message from the National FAASafety Team Manager
