

MN FAASTeam presents:

Charles Taylor Award Presentation for Dale R Johnson

Dale R. Johnson of Aitkin, MN will be receiving a Charles Taylor Master Mechanic Award. The Charles Taylor Master Mechanic Award is named in honor of Mr. Charles Taylor, the first aviation mechanic in powered flight. The Charles Taylor "Master Mechanic" Award recognizes the lifetime accomplishments of senior mechanics. Mr. Taylor served as the Wright brothers' mechanic and is credited with designing and building the engine for their first successful aircraft.

Eligibility
To be eligible for the Charles Taylor Master Mechanic Award, nominees must meet the following criteria: Hold a U.S. Civil Aviation Authority (CAA) or Federal Aviation Administration (FAA) mechanic or repairman certificate. Have 50 or more years of civil and military maintenance experience. Up to 20 years of the required 50 years may be U.S. military experience; or worked as an uncertified person in a U.S. aviation maintenance facility that maintained U.S. registered aircraft, either domestic or overseas; or worked as an uncertified person in the aircraft manufacturing industry in the United States, producing U.S. type-certificated or U.S. military aircraft. The 50 years may be computed consecutively or non-
