

MN FAASTeam presents:

# **KFCM Tower Tour For Private and Student Pilots**

**Break away from football and join us to meet our friends in the Tower at Flying Cloud...what is it they see, how can we help each other, get your questions answered, get a phone number (in a good way) and so much more! This experience is for student and private pilots, learn how the controllers can help you and vice versa. We are doing this as a group event so you can ask and learn from each others questions.**

**A supervisor will give us a brief overview and we will have a Q&A session. We can also talk to the controllers as their workload permits.**  
**Bring your questions or just join us for a conversation and see the view.**  
**\*No phones or photos allowed in the Tower**

**Directions:** Please meet at Gate A of KFCM (if you follow Google maps to 10110 Flying Cloud Drive it will bring you there). We will then go as a group to the Tower to be escorted upstairs.  
**\*No phones or photos allowed in the tower, if you will be late please text me before 12.**
