

MN & WI FAAS Team presents:

Pro Tips for UAS Pilots

Learn tips to navigate the National Airspace System (NAS) safely and legally from a drone expert! Join us for a free LIVE WEBINAR discussing various UAS topics including info that's helpful to really understand the NAS. Other tricky situations that will be discussed include weather impacts, go or no-go decision making, getting access to controlled airspace (LAANC authorizations), TFRS including sporting & other events, AGL vs. MSL and Visual Line of Sight (VLOS).

Greg is an FAA part 107 licensed commercial UAS remote pilot professional photographer and videographer having logged thousands of drone flights. Based in Stillwater Minnesota, Greg's projects take him around the twin cities Minneapolis St Paul metro area as well as into Wisconsin. In addition to doing ground and aerial photography and videography (inside and outside), Greg has several books published, teaches drone community education classes in the Twin Cities, as well as is a FAAS Team Rep DronePro.
