

Aircraft Preconditioning - Preheating Your Engine And Aircraft

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as we join Doug Evink for a discussion on what we have learned about aircraft preconditioning / preheating, and what is being worked on. Learn about the newest ways to make sure your aircraft is properly preconditioned. This presentation is for both pilots and mechanics for safety and continued operation of aircraft in cold weather climates.

If you want to attend, you must sign up ahead of time.

If you haven't already registered for this webinar series, register using the link below:
