

The Smart Road To Pilot Safety

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR!

Join Jim Zurales for a stroll through preventable flight safety events that you hopefully won't experience thanks to increased knowledge and awareness. You can only learn through your own mistakes to a certain extent before things get really expensive and unsafe. Jim is a 33,000 hour airline captain and avid general aviation pilot who will familiarize you with plenty of aeronautical foibles to avoid. You'll be a safer pilot and have a fatter bank account to use for your \$147.85 hamburger missions!

If you haven't already registered for this webinar series, register using the link below:
