

Tools for Weather Flight Planning and NOAA Flight Operations

FAASTeam member, flight instructor and Program Manager with the Conservation Corps MN & IA . Brian has relevant experience as a commercial and instrument SEL, MEL, SES and CFI-I pilot. Brian is a candidate as a Commissioned Officer with the National Oceanic and Atmospheric Administration (NOAA) Corps, BOTC 143. He will be discussing the unique opportunities with NOAA Corps, the types of flying that NOAA does in support of scientific research, as well as presenting a training module on aviation weather tools and weather briefs.

Directions: Lake Elmo Airport (21D) is located on Manning Avenue in Lake Elmo.

From the South: From I-94, drive North approximately 3 miles on Manning Avenue. Just past the 30th Street traffic light, the first gate entrance takes you past the Chapter House. To the left of the MAC garage, you'll find the viewing area.

From the North: Take the second airport entrance (after you go past the runway).
