

Saturday Morning Coffee and WINGS - Try Floats For Fun!

Join us for a VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Steve gives us an overview and review of basic seaplane operations and techniques. This presentation is intended to provide an introduction to aspiring seaplane pilots as well as a review for experienced pilots. It will focus on best practices and common errors associated with flight planning, water operations including takeoffs and landings, and amphibious airplane operations.

If you haven't already registered for this webinar series, do so using the link below:
