

Saturday Morning Coffee And Wings - Fundamental Electrical Systems

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Tim gives us a comprehensive look at the alternator and starter systems used on today's GA fleet. Historical and modern, lightweight versus heavyweight and the good and the bad are all discussed. Troubleshooting, maintenance and installation tips to help secure a long, serviceable life for your electrical system components. Great for the certificated aircraft owner or a new experimental builder, this presentation will "generate" your interest in aircraft electrical systems.

If you haven't already registered for this webinar series, register using the link below:

https://faavideo.zoomgov.com/webinar/register/WN_syRmrq6aSluiPB7yL14xMg

You will receive a second e-mail with a link to join the webinar.

JOIN US EVERY SATURDAY AT 0900 CT!

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us
