

Saturday Morning Coffee and WINGS - Baby Its Cold Outside But Toasty Warm In The Plane

Event Details

Join us for a VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Tim gives us a comprehensive look at combustion cabin heating systems currently used in the GA fleet, including theory and troubleshooting along with maintenance and installation tips. A presentation that is sure to "heat up" and expand your knowledge of cabin heating systems.

If you haven't already registered for this webinar series, register using the link below:
