

## Saturday Morning Coffee and WINGS - Military Airspace

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Lt Col Brandon Moore discusses the different types of special use and other airspace types with an emphasis on military operations and mid-air collision avoidance. What types of activities occur in a MOA? What is a warning area? Can I fly through military training routes? How do I know if military airspace is active? Bring your airspace questions and learn about military operations in the state of Minnesota and western Wisconsin. Even if you are from another part of the country, this information is probably applicable to you, too!
