

## How To Use The ACS To Safely Pass Your Practical Test

Sitting for an FAA Flight Exam is not a mysterious world of unknowns. Every candidate is afforded the tools, questions, and answers to expect from the examiner. All we need to do is figure out how to crack the code and ensure we have the answers as provided by FAA publications that are specific to your quest. One of the major emphasis areas on all practical tests is safety of flight. As PIC the safety of the flight must never be in doubt on your practical exam.

**George Felix** is a CFI, ATP, Commercial Multi, and Seaplane Pilot, and carries his Advanced and Instrument Ground Instructor certifications and is a Gold Seal instructor. He currently owns and operates Felix Flight Services. He has also flown air ambulance and corporate positions in the FAR Part 135 world. He currently lives in the Webster, WI area doing flight exams for Private, Instrument, and Commercial candidates out of the Burnett County Airport at Siren, WI.

### Event Details

**Fri, May 16, 2025 at 08:00 CDT**
