

## B-17 The Final Mission

Come and explore the lives touched by one B-17 as it toured the country. Personal stories and photos shared by the veterans with Chris as a result of their flights onboard this special airplane. Chris will also discuss how missions were safely planned, designed, and implemented to bring the aircraft safely home. Chris tells their stories through using photos shared with him by the original crews who flew the mighty B-17 into combat.

**Chris Henry** is the EAA Aviation Museum Manager. He has spent the last 13 years at EAA working to preserve the people stories in aviation's rich history. Before that he served as an air traffic controller and even a medical helicopter dispatcher. He has been working in aviation museums since he was 12 years old. He has been a celebrated speaker at our event in the past and we are delighted and honored to have him return.
