

MSPA Safety Seminar - Amber Yellow or Pale?

Join us as Ari talks with us about the dangers, downfalls and traps that lead to fatigue and heat stress. These factors can not only decrease the fun of flying, but can also lead to poor judgment and aviation mishaps. Learn the signs of fatigue and heat stress, and ways to mitigate them, not only when flying but in daily living.

Town Hall Conference Center

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to <https://www.wingsindustry.com/WINGS-Sweepstakes> for more info. Join us on Facebook: <https://www.facebook.com/groups/GASafety/>
