

The Ag Drone Podcast

FAA registration is required for all drones used in Section 44807 exemptions and Part 137 operations. We have brought in an expert in aircraft registrations to help operators ensure compliance ahead of the 2026 spray season.

This free educational webinar features Callie Meier of AIC Title Service (Oklahoma City, OK)—a leading aviation title and registration firm founded in 1989 with over 35 years of experience, a team boasting more than 600 years of combined expertise, and completing over 15,000 title searches plus 4,000 closings annually.

Attendees will receive practical guidance on:
