

## Saturday Morning Coffee and Wings - HAPPY DRONE SAFETY DAY!!

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Greg talks with us on several topics vital to flying drones.

Regardless of whether you are operating under part 107, a hobby/recreational TRUST, flying FPV, or a camera drone, all outdoor UAS flights require airspace planning and considerations. In this webinar, we look at using tools, techniques, tips, and tricks to navigate airspace planning and authorization considerations for your drone operations.

Aviation safety will be discussed, and is central to the content of this presentation.

Many of our sessions are recorded and can be viewed on our YouTube channel, Saturday Morning Coffee and WINGS. Credit is not available if viewing the recording. Here is a link:
