

Saturday Morning Coffee and Wings - How Are Instrument Flight Procedures Made?

Event Details

Join us for A VIRTUAL cup of coffee, a donut, a LIVE WEBINAR, and an interactive session as Chris Baur and colleagues guide participants through how Instrument Flight Procedures are made - the development, implementation, and commissioning of Instrument Flight Procedures (IFPs). In this episode we will discuss Missed Approach procedures and go-arounds, and their impact on your instrument approach minimums. Integrated into the core presentation is an IFR Chart Clinic designed to deepen your understanding of instrument charts. Learn how chart information is organized, interpreted, and derived to accurately represent the Instrument Flight Procedures you fly and evaluate .

Aviation safety will be discussed, and is central to the content of this presentation.
