

Saturday Morning Coffee and Wings - Its OK to STAY

Join us for A VIRTUAL cup of coffee, a donut, and a LIVE WEBINAR as Chris introduces "It's OK to STAY", a new safety initiative focused on improving preflight decision-making and helping pilots manage operational pressure before takeoff. Learn practical strategies for handling difficult conversations while protecting both safety and mission success. Join us to learn how professional decision-making and clear communication can prevent small pressures from becoming big problems in flight.

Aviation safety will be discussed, and is central to the content of this presentation.

Many of our sessions are recorded and can be viewed on our YouTube channel, Saturday Morning Coffee and WINGS. Credit is not available if viewing the recording. Here is a link:
