MN FAASTeam presents:

It Is Cold Outside and So Is your Airplane

It is the new time of the year so let us re-learn how to get the engine started safely, reduce wear and go over how to not make in the news.

Enter on street side then run right to the classroom.

A message from the National FAASTeam Manager

Lead Representative GEORGE BOLON said

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please contact the above as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
