

FAASteam CFI Workshop #8

This is CFI Workshop module #8 in the series of eight modules. In this module, Pilot Deviations including Runway Incursions will be discussed. While this seminar is focused on flight instructors, pilots of all certificate levels are welcome to attend.

Directions: From US-31/St. Joseph Valley Parkway: Take Exit 15 and go East onto Old US-31/M-139. Travel .6 miles, turn Right on 4th Street. Take 4th Street to dead end and turn Right onto Griggs Drive. Griggs Drive ends in the Airpark parking lot. Meeting will be held in the 2nd building on the Right, main floor classroom.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
