

## Fly Smart and Be Safe

Fly Smart and Be Safe - This seminar will focus on the many common mistakes leading to aviation accidents. Using the perspective of both the pilot and mechanic/IA you will become better able to prevent yourself from making these mistakes.

Whether you own and operate your own aircraft or utilize rental aircraft this program will guide you in the operation and maintenance of your aircraft.

**Directions:** Seminar will be held in the Black Forest Room of the St. Joseph County Library - German Township Branch.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
