

## Free Proficient Pilot Seminar - Aviation Weather

Please bring a friend or family member and join us as Mr. DeWald helps us review basic weather principles and how to apply this knowledge to our flying in a practical way. We'll also spend some time reviewing how to obtain and interpret weather information using aviation weather services.

**Directions:** This free safety seminar will be held in the terminal building at the Smith Field Airport in Fort Wayne Indiana.

### A message from the National FAASTeam Manager
