

FREE Proficient Pilot Seminar - Flying to Canada

Please join us as David DeWald speaks not only based on professional study and research but also from personal experiences of flying across the border into Canada. Although there are multiple details to put together, flying to Canada should be a reasonable option for you. Come participate in the fun as we learn how to make a cross country flight into Canada a safe, reasonable, and fun adventure.

Directions: This free seminar will be hosted by Sweet Aviation in the terminal facility at the Smith Field Airport (KSMD) in Fort Wayne, Indiana.
