

FREE Proficient Pilot Seminar - 'Emergencies: Speak Up!'

Please join us for an exciting and thought provoking safety seminar regarding properly addressing and getting help from ATC during emergency situations while flying. Here are some of the highlights: 1. What is the difference between declaring an emergency and making a MAYDAY call?? 2. Why are pilots afraid to declare an emergency? 3. Will I have a mountain of paperwork to fill out if I declare an emergency?

Directions: The free safety seminar will be hosted by Sweet Aviation in the terminal building of the Smith Field Airport in Fort Wayne, IN.
