

La Porte Aero Club - FAA Aviation Safety Seminar

Part 1 - Briefing on the What, Why, Who and Where of Unmanned Aerial Systems. The FAA's role in the UAS vision, authorization and their integration into the National Airspace System.
Part 2 - An overview of aging aircraft maintenance and inspection requirements and techniques.

Directions: The LaPorte Aero Club building is located on the EAST side of the LaPorte municipal airport. County Road S 150 W is the extension of "I" Street.

A message from the National FAAS Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAAS Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
