

Review of EAA Flight Advisor and Technical Counselor programs

Craig Brown will present the EAA Flight Advisor and Technical Counselor programs and how builders and pilots can use and benefit from these services. One or two editions of the EAA Chapter Video Magazine will follow.

Directions: This building is on the northeast corner of Smith Field airport, and is accessible from Cook Road. We will be using the first classroom on the left after entering the building's north door.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
