

Airport Safety, how to communicate and navigate safely on an airport.

The Great Lakes Airports Division and the FAASTeam will discuss communication issues, runway signage and best practices to reduce the risk of runway incursions.

Directions: This event will be held in the multi-purpose room at the Transportation Education Center

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
