

## EAA Chapter 770 VMC Club Meeting

Please join us Tuesday evening, July 1st, at 6:30pm for EAA Chapter 770's VMC club meeting. After revealing the answer to the Question of the Month (QoM), we will watch a short scenario video. This month, the QoM involves avoiding Controlled Flight into Terrain (CFIT) accidents. The scenario involves a pilot who is planning a night flight in VFR conditions with portions of the flight over water. If you are not a member of the EAA and/or Chapter 770, a complimentary 6-month, full-benefit membership will be available. VMC Club attendance qualifies for FAA WINGS credit!
