

## EAA Chapter 129 VMC Club Meeting

Please join us Saturday morning, February 14th at EAA Chapter 129 for breakfast and our VMC Club Meeting . Breakfast is served from 7-9 am in the hangar, followed by the VMC Club program at 9:00 am. All are welcome whether or not you are an EAA member.

VMC Club meetings consist of a Question of the Month and a discussion scenario flight.

The scenario flight takes place in a Cessna 150 Aerobat in congested airspace with no attitude indicator or heading indicator. The visibility is deteriorating, making it difficult to navigate by pilotage to return to the airport. Think about what actions you would take to get yourself and an your passenger safely back to the airport in these conditions.

Our question of the month involves locating airport diagrams and taxi information for smaller unfamiliar airports.
