

University of North Dakota Spring Aviation Safety Seminar and FAA Safety Stand Down

From perfection to pilot professionalism with a primary focus on preflight to enroute cruise safety issues, including in-flight loss of control, will be the focus of this exciting and informative safety seminar! If you want to learn the safest way to stay safe when maneuvering low and slow, this seminar is for you!

Directions: The Chester Fritz Auditorium is located on the Campus of the University of North Dakota.

A message from the National FAAS Team Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
