

Ground Movement Procedures and Fire/Rescue at KFAR

This is a question/answer period with Air Traffic Control regarding ground movement procedures and possible runway incursion hazards at the Fargo airport. Not only for pilots, this gathering is for all who operate a vehicle within the secured airport property. Also, an equipment display and fire extinguishing demonstration by the ND Air National Guard Fire Department. Bring your concerns and questions.

Directions: Fargo Jet Center blue building, west door #2, upstairs.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
