

# FAA Approved Flight Instructor Refresher Course - Earn A CFI Certificate Renewal in Only Two Days

The spirit of a FIRC should parallel that of any other professional conference. A live, in-person FIRC is a professional conference in a very real sense since flight instructors are, by definition, professionals. The FIRC is not intended to rehash the basics, but rather to expose the instructor to the latest in flight training techniques, newest technology, and most importantly, operational and safety procedures.

**Directions:** From Interstate 90, exit on N Haines Ave, on N Haines Ave proceed to Disk Drive, turn left and proceed to 645 E. Disk Drive
