

# FAA Approved Flight Instructor Refresher Course - Earn A CFI Certificate Renewal in Only Two Days

The spirit of a FIRC should parallel that of any other professional conference. A live, in-person FIRC is a professional conference in a very real sense since flight instructors are, by definition, professionals. The FIRC is not intended to rehash the basics, but rather to expose the instructor to the latest in flight training techniques, newest technology, and most importantly, operational and safety procedures.

**Directions:** From Interstate 29, take the Shirley Street exit to 2501 Shirley Street.
