

Preflight Airworthiness and Pilot Weather Minimums

Jeffry Boe, FAASTeam Program Manager for Airworthiness, will discuss what you should be looking at in your preflight inspection to insure that the aircraft is airworthy. Jay M Flowers, FAASTeam Program Manager Operations, will discuss the importance of establishing personal weather and operational minimums.

Directions: Williston Jet Center is located just South of the Williston Terminal.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
