

Airworthiness Preflight and Transition Training

How Airworthy is your aircraft. Preflight does not just start and end with a checklist.

An Airplane is an Airplane is an...or is it? We'll talk about transitioning from one aircraft to another. From a Piper Cub to a larger, faster, aircraft and back down.

Directions: From Main Ave. in Valley City, go to 12th Ave. NE and head towards the rail bridge (North). The Country Club is on the end of the street just before it turns back West.
