

## UND Safety Seminar - Technology in Aviation. For UND Students, Flight Instructors, and Faculty.

This event is for UND Students, Flight Instructors, and Faculty. The safe use of technology (including EFBs, Mobile Apps, Photography Devices) will be discussed. There will be a panel discussion (which include members from the UND Aerospace Safety Department as well as Management from Flight Operations and Campus Faculty). Please send any questions you may have (about any safety-related topic) to [safety@aero.und.edu](mailto:safety@aero.und.edu).

**Directions:** This event will be offered to allow Attendees to participate in at least one offering over three days. The information and content will be the same for each day. Here are the times and dates: Chester Fritz Auditorium 3475 University Avenue Grand Forks, ND 58202 9/17/2014 - 1830 to 2000 Clifford Hall, Room 2109 9/18/2014 - 1230 to 1400 Clifford Hall, Room 2109 9/19/2014 - 1200-1330

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
