

Getting the dust out of you and off the aircraft in time for Spring.

An edge is only there if you continue to sharpen it. If you've been dull for a short while and are thinking of getting back into the cockpit it's time sharpen your knowledge and skills. Rules, flying methods, charts, equipment, all are changing on an almost daily basis.

Directions: From Main Ave. in Valley City, go to 12th Ave. NE and head towards the rail bridge (North). The Country Club is on the end of the street just before it turns back West.
