

When an Airplane crashes in your community?

This course is designed for those first to respond to aircraft accidents. Fire Fighters, Ambulance Crewmembers, Law Enforcement, and First Responders all need to know what they may be walking into when they arrive on the scene. Map of the event and any additional information on the course content can be found on www.faasafety.gov. Activities, Courses, Seminars and Webinars/Seminars & Webinars/Seminars/ Event number is GL2161694.

Directions: The airport is on the East side of the city of St. Cloud, MN. From Interstate 94, take all exits into town and get on Highway 75/23 East bound to Highway 10 South/East. The road leading into the airport is Co. Road 7 or 12th Street SE. The airport is at the roads end. Event will be held in the second building on the left.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
