

Airport Safety, how to communicate and navigate safely on an airport.

Joe Jochheim, ATC Specialist, will discuss communications issues.

Tricia Halpin, Airport Certification Safety Inspector, will discuss runway signage.

Jay Flowers, FAA Safety Team Program Director, will discuss best practices that will reduce the risk of you being involved in a runway incursion.

Directions: From I 29 take the DeMers Ave. Exit and follow it East to the first light. Take a left towards the Compass. At the first light turn right and then take the first right into the Odegard and Clifford Hall parking area. Odegard Hall is the building on your left as you drive in. The event is being held on the first floor in the Atmospherium.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
