

Mountain Flying

Mountain flying is not accomplished by rote memory, it is done by thinking about the outcome of various courses of action available to pilot and weighing the possible outcomes.

Presentation by Associate Professor Pete Schumacher.

Directions: University Of North Dakota Campus
Clifford Hall 210 Room 210
4149 University Ave
Grand Forks, ND

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
