

# AOPA's Air Safety Institute Fall Seminar: Cross Country Challenge Reminder to attend

Our new seminar reflects the reality of an ever changing environment. You'll follow along as we "fly" two fictional trips, answering questions (and debating answers) along the way. From preflight planning to tie-down technique, if it's related to the flight, it's fair game!

**Directions:** Fargo Jet Center west blue building, west door #2, upstairs.
